PJHA Meeting Minutes

1. **Public Comment** – Frankie Smalling came to ask about various tournaments being paid with deadlines, she asked about getting an ice cut especially after 6U & 8U (no ice cut between them). 8U on 3 weekends Jan 31st, Jan 16th, Feb 15th there is no ice in Potsdam and 8U needs 2 hrs of ice time. Caleb Rahtbun came to express concern with not being able to do game situations, while skills are important with so many at the 10U level, game situations are not able to be done without the majority sitting.
2. **Approval of October 27th minutes** – motion was made by Leland to approve the minutes, second by Stephanie, all approved.
3. **Financial Report** – some tournament fees are being paid, ice time is being paid, last of the registration installments are still coming in.
4. **Old Business**
 - a. **8U tournament \$** - Currently there are 36 players with 4 teams of 9 and tournament \$ was determined based off 3 teams. Stephanie made a motion to add \$1,000 more to the 8U tournament allotment, Erica second the motion.
 - b. **10U A/B practices/ice time** – will work on getting individual practices for 10U A & B.
 - ☐ **Ice cut** – working through this and should be taken care of
 - c. **David Grant Memorial Tournament update** – Crysten is working with the sub committee and hopefully will meet this week.
 - d. **Fundraising**
